Concrete work on U.S. 81 in Cloud County begins Monday

Beginning Monday, the Kansas Department of Transportation will begin concrete patching on approximately 2 miles of U.S. 81 in Cloud County.

Work on the southbound and northbound lanes of U.S. 81 will proceed north from the north city limits of Concordia to about 2.7 miles north of the U.S. 81/K-9 junction.

Traffic on U.S. 81 will be reduced to one 12-foot lane at a reduced speed through the work zone. Drivers should expect minimal delays, not exceeding five minutes.

Emery Sapp and Sons Inc. of Columbia, Missouri is the prime contractor and has scheduled this \$637,990 project to be completed by November, weather permitting.

KDOT urges all motorists to be alert and obey the warning signs when approaching and driving through a highway work zone. To stay aware of all highway construction projects across Kansas, go to www.kandrive.org or call 5-1-1.
