Road closure for K-177 reconstruction begins March 28

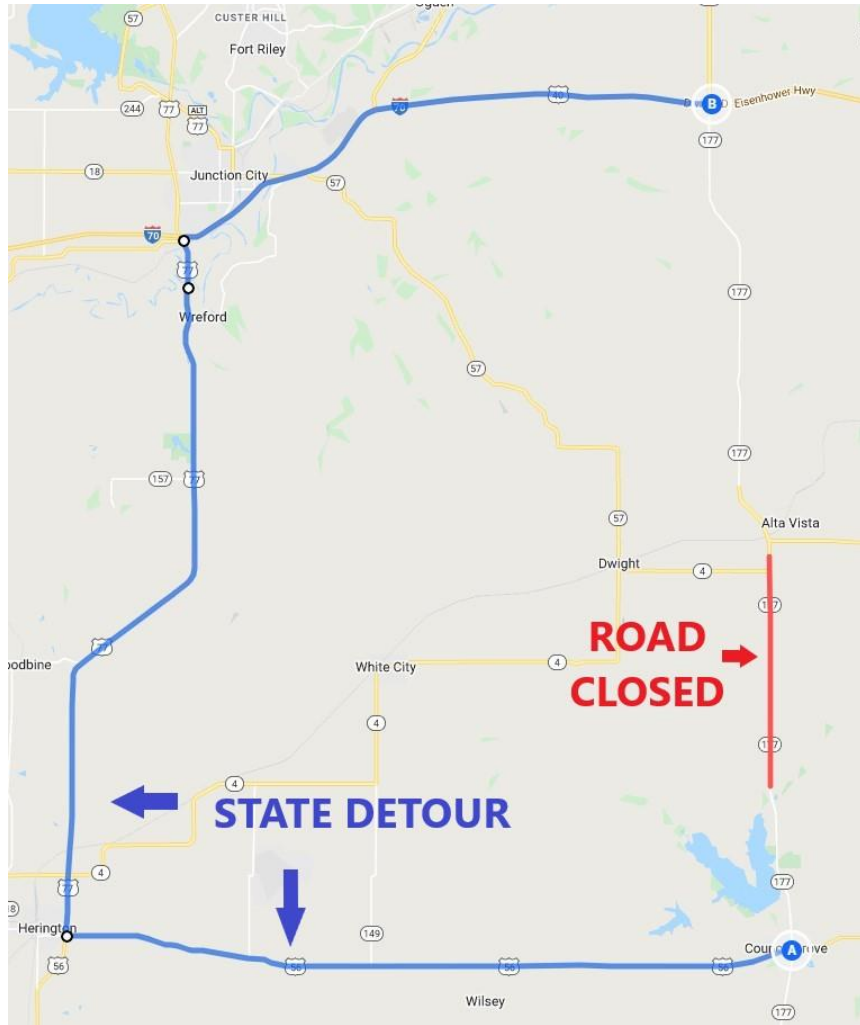

Beginning Monday, March 28, part of K-177 will close for the first phase of reconstruction. During this phase, K-177 will be closed for approximately 7.7 miles from Ave L, north of the Council Grove reservoir, continuing north to halfway between the K-4 junctions.

Through traffic can follow the state detour from Council Grove to Herington to Junction City (See attached map).

K-177 is scheduled to reopen in the fall of 2022. The final phase of reconstruction for K-177, from halfway between the K-4 junctions to I-70, is scheduled to begin in March 2023 and reopen in the fall of 2023.

Wildcat Construction Co. Inc. and Subsidiaries of Wichita is the primary contractor for this \$52.3 million project.

KDOT urges all motorists to be alert and obey the warning signs when approaching and driving through a work zone. Check kandrive.org for updates and more information.
