Asphalt repair to begin tomorrow in Geary County

Beginning tomorrow, Tuesday, Sept. 12, the Kansas Department of Transportation will begin work to replace damaged asphalt on K-18 in Geary County.

Work on K-18 will occur on about a quarter mile between Spring Valley Road and the Blue Jay Wy/Karns Drive roundabout.

Flaggers and a pilot car will direct traffic through the construction zone. Drivers should be prepared for a delay of up to 10 minutes and plan extra time in their travel schedules.

Shilling Construction Co. of Manhattan is the prime contractor for this \$192,730 project which is scheduled for completion in September, weather permitting.

KDOT urges all motorists to be alert and obey the warning signs when approaching and driving through a highway work zone. To stay aware of all road construction projects across Kansas, go to www.kandrive.org or call 5-1-1.
