Resurfacing to begin Monday on K-14 in Ellsworth County

Beginning Monday, May 1, the Kansas Department of Transportation will begin resurfacing about 15 miles of K-14 in Ellsworth County.

Work on K-14 will continue north from the Rice/Ellsworth County line to the south city limits of Ellsworth in Ellsworth County.

Flaggers and a pilot car will direct one 12-foot lane of traffic through the construction zone. Drivers should be prepared for a delay of up to 15 minutes and plan extra time in their travel schedules.

APAC-Kansas Inc. of Hutchinson is the prime contractor and has scheduled this \$3.2 million project to be completed in July, weather permitting.

KDOT urges all motorists to be alert and obey the warning signs when approaching and driving through a highway work zone. To stay aware of all highway construction projects across Kansas, go to www.kandrive.org or call 5-1-1.
