Gower promoted to KDOT Bureau Chief

Brian Gower has been promoted to Transportation Safety & Technology Bureau Chief for the Kansas Department of Transportation. He begins his new duties on Nov. 6.

Gower has worked for KDOT for more than 25 years. He obtained a Civil Engineering Degree from the University of Kansas in 1990. Gower has served in several positions in the traffic engineering area and has been the State Traffic Engineer since 2004.

In his new position, Gower will oversee and be responsible for leading and managing traffic safety, crash data, traffic engineering, signing and the Intelligent Transportation System units.
