Havenstein celebrates 30 years of service

Michael Havenstein, Research Analyst I for the Kansas Department of Transportation's Bureau of Traffic Safety and Technology, has achieved a career milestone and is celebrating 30 years of valued service in May to the State of Kansas.

Havenstein started at KDOT in 1987 at the District One office in Topeka as a Mechanic Helper. He worked as a Utility Worker for a year, then was a Storekeeper at District One, State Surplus Property and KDOT Headquarters. He transferred to an Office Assistant at HQ before being promoted to Research Analyst I seven years ago.

In his current position, Havenstein analyzes all fatal automobile crashes by coding more than 150 elements for the National Highway Traffic Safety Administration.

He was named the agency's Employee of the Month in November 1998.

He and his wife, Theresa, have two children, Christopher and Kaylee. They reside in Topeka.
