Cities to receive \$13.7 million for road improvement projects

Twenty-seven projects that will improve intersections and roads in Kansas cities have been selected for funding through the Kansas Department of Transportation’s City Connecting Link Improvement Program (CCLIP), which funds improvements to state highways that extend through cities.

The cities will receive a combined total of approximately \$13.7 million in funding under the CCLIP for these 27 projects. This total includes \$6.6 million in state fiscal year 2020 and \$7.1 million in state fiscal year 2021.

Under the CCLIP, a city contributes up to 25 percent of the project cost based on its population. Cities under 2,500 in population aren’t required to provide a match. Projects in this program may fall into one of three different categories including Surface Preservation (SP), Pavement Restoration (PR) or Geometric Improvement (GI).

SP projects involve maintenance work such as resurfacing and are funded up to \$300,000 per project. PR projects typically involve full-depth pavement replacement without changes to the overall geometric characteristics and may also address drainage issues. GI projects address geometric issues such as adding turn lanes, improving intersections or modifying the lane configuration to address capacity. The PR and GI categories are funded up to \$1 million per project.

For the state fiscal year 2020, the city, category and amount awarded include:

St. Marys	Surface Preservation	\$300,000
Alma	Surface Preservation	\$230,000
Atchison	Surface Preservation	\$300,000

Manhattan	Surface Preservation	\$150,000
Clifton	Surface Preservation	\$300,000
Marion	Surface Preservation	\$300,000
Lindsborg	Surface Preservation	\$300,000
Clay Center	Surface Preservation	\$300,000
Council Grove	Surface Preservation	\$300,000
Junction City	Surface Preservation	\$300,000
Osborne	Geometric Improvement	\$800,000
Smith Center	Surface Preservation	\$300,000
Independence	Surface Preservation	\$300,000
Kingman	Surface Preservation	\$300,000
Larned	Pavement Restoration	\$745,000
Wichita	Surface Preservation	\$300,000
Ashland	Surface Preservation	\$600,000
Dodge City	Geometric Improvement	\$500,000

For the state fiscal year 2021, the city, category and amount awarded include:

Kansas City	Geometric Improvement	\$1,000,000
Junction City	Pavement Restoration	\$200,000
Downs	Pavement Restoration	\$1,000,000
La Cygne	Geometric Improvement	\$650,000
Parsons	Pavement Restoration	\$1,000,000
Frontenac	Geometric Improvement	\$400,000
Anthony	Pavement Restoration	\$900,000
Lakin	Pavement Restoration	\$1,000,000
Tribune	Pavement Restoration	\$1,000,000
