KDOT delays February letting due to blackout concerns

The Kansas Department of Transportation wants to alert companies and organizations that participate or are involved with the agency's monthly construction bid letting that the February letting is being moved from Wednesday, Feb. 17, to Friday, Feb. 19. The time stays the same at 1 p.m.

The letting is being delayed two days because of the possibility of rolling blackouts that could affect the electronic submittal of bids. KDOT made the decision to move the construction bid letting to ensure a fair bidding process for all bidders.

All bidders must download and submit a new bid file to bid on construction projects that are included in the Friday, Feb. 19, construction bid letting.

For questions or more information, contact KDOT's Bureau of Construction and Materials at 785-296-3576.
