KDOT hosts May 10 webinar on applications for Safe Streets and Roads for All grants

TOPEKA - The Kansas Department of Transportation is hosting a webinar at 11 a.m. on Wednesday, May 10, to discuss the Kansas Safe Streets and Roads for All (SS4A) Match Pilot Program.

Cities, counties, metropolitan planning organizations and federally recognized Tribal governments can apply for the grant, which provide an opportunity to leverage federal and state funding to create safety plans or safety projects on roads not operated or maintained by KDOT. For information and to ask questions, representatives from these groups are encouraged to register for the webinar:

This will be the only webinar regarding the application process for the U.S. DOT SS4A discretionary grant and the Kansas SS4A Match Pilot Program funding. This program supports the Kansas Drive to Zero Coalition's goal of reducing fatal and serious injury crashes on public roadways through safety action plan development, refinement and implementation.

Last year, the Kansas SS4A Match Pilot Program provided \$1 million in funding for 12 SS4A recipients to develop Safety Action Plans. This year, the Kansas program is expanding cost share to include Planning and Demonstration Grants as well as Implementation Grants.

Links and other information needed for the application process will be available on KDOT's website at - <https://www.ksdot.gov/ss4a/programinformation.asp>

Important dates:

- May 10 – KDOT SS4A Webinar (will be recorded/posted on website)
- May 29 – Notify KDOT of intent to apply through survey (posted on website by May 13)
- June 16 – U.S. DOT deadline to submit technical questions
- June 30 – KDOT issues letters of support to applicants
- July 10 at 4 p.m. CST – U.S. DOT and KDOT applications due
