KDOT is Crack Sealing on US-50

Throughout the week of July 9th KDOT maintenance workers will be set up in a work zone on US-50 between mile markers 321 and 317 in Chase County. They will be sealing cracks in the roadway and may be working anywhere within this area. Plans call for project completion by week's end weather permitting.

Drivers should be prepared to follow the signs and avoid distractions as they pass through the work zone. Traffic is being controlled by pilot car.

Delays of up to 10 minutes are possible. Be prepared to stop.
