Eastbound U.S. 36 ramp closed at Elwood

The eastbound ramp from Roseport Road to U.S. 36 in Elwood is expected to close to traffic on Tuesday, Aug. 6, weather permitting, according to the Kansas Department of Transportation.

The closure is necessary as part of a bridge repair project on the two bridges over Roseport Road. Motorists in Elwood wanting to travel east on U.S. 36 should use the K-238/U.S. 36 junction.

There will also be a lane closure in the eastbound and westbound lanes of U.S. 36 and a speed limit reduction to 35 mph during the duration of this project. The project is expected to be closed until late November.

Please use extra caution in the work zone area.
