Kansas Department of Transportation Traffic Alert

News Contact: Kimberly Qualls, (785) 640-9340 or [kqualls@ksdot.org](mailto:kqualls@ksdot.org)

**FOR IMMEDIATE RELEASE**

**For Monday, July 26-Late September 2010 in Lyon County**

### I-35

Weather permitting, **on Monday, July 26 at 7:00 a.m.**, northbound I-35 will be reduced to one lane for repair work on two bridges that span over the Neosho River (mile marker 133) and over US-50/Frontage Road (mile marker 135). The distance between the bridges is approximately two miles, though northbound I-35 will not be reduced to one lane throughout the entire two-mile length of the project.

Crews will work daily Monday through Friday during daylight hours only. Work will be completed on the left lane first followed by the right lane.

Traffic will be channeled through the project work zone via concrete barrier and related signage. A 12-foot lane width restriction will be in place throughout the project duration. A speed limit restriction of 60 mph will be in place round the clock (24/7) throughout the project work zone.

Project work is scheduled to be completed in late September 2010, weather permitting.
