Kansas Department of Transportation Traffic Alert

News Contact: Kimberly Qualls, (785) 640-9340 or kqualls@ksdot.org

FOR IMMEDIATE RELEASE

For Wednesday, July 21 – Late August 2010 – Pottawatomie/Riley County

K-13

Weather permitting, on **Wednesday, July 21**, a resurfacing project will begin on northbound and southbound K-13 from the US-24 junction north to the Riley/Pottawatomie County line then from the Riley/Pottawatomie County line north to the K-16 junction. Crews will work daily Monday through Friday during daylight hours; some Saturday work may occur.

Traffic will be directed through the project work zone via a flagger and pilot car operation. Drivers should expect delays of up to 15 minutes during the flagger/pilot car operation and should allow for extra travel time on their daily commutes. There will be a lane width restriction of 12 feet throughout the project duration.

The Kansas Department of Transportation urges all motorists to be alert, obey the warning signs, and “Give ‘Em a Brake!” when approaching and driving through the project work zone. **Project work is scheduled to be completed late August 2010, weather permitting.**
