On **Tuesday, August 11 at 9:00 a.m.**, crews will unload fly ash material in the K-18 median area approximately .25-miles west of Scenic Drive in Riley County. The fly ash material is being used to construct a temporary crossover in the median of K-18.

The scheduled completion date for all three K-18 project phases is late 2013. Additional information including project phasing, traffic impacts and more can be found online at: <http://www.ksdot.org/topekaMetro/projectstudyNEKS.asp>.
