## U.S. 75

### **EXPECT DELAYS! 24/7 ROUND THE CLOCK ROADWAY CLOSURE:**

Eastbound and westbound 290th Road access on the east side of the U.S. 75 intersection will be closed north of Sabetha (Brown/Nemaha Counties) to all traffic for a reinforced concrete box replacement project beginning **mid-morning on Monday, June 24 and reopening to traffic in mid- to late July 2013, weather permitting.**

Crews will tear out the existing old 10-foot x 8-foot reinforced concrete box and replace it with a 12-foot x 10-foot reinforced concrete box. This work is part of the U.S. 75 Phase 2 Reconstruction Project taking place in Brown and Nemaha Counties. *See aerial map below for project location and roadway closure.*

No marked detour will be provided. Drivers must use alternate routes during the roadway closure.

The Kansas Department of Transportation urges all motorists to be alert, obey the warning signs, and "Give 'Em a Brake!" when approaching and driving through the project work zone. *(KDOT Project #75-7 KA 0747-01 & 0748-01)*
