## Bridge replacement project to begin in Wabaunsee County

A bridge replacement project on Willard Road in Wabaunsee County is scheduled to begin Wednesday, Dec. 14, weather permitting. The bridge spans Mill Creek and is located approximately one mile east of Maple Hill.

Willard Road will be closed at the worksite for the duration of the project, which is expected to be complete by July 2023. No marked detour will be provided so drivers will need to find alternate routes.

A.M. Cohron & Sons, Inc., of Atlantic, Iowa, is the \$1.8 million project's prime contractor. The Kansas Department of Transportation (KDOT) will oversee the project.

KDOT urges all motorists to be alert and obey the warning signs when approaching and driving through a highway work zone. To stay aware of highway construction projects across Kansas, go to [www.kandrive.org](http://www.kandrive.org) or call 5-1-1.
