Survey begins today at U.S. 24/U.S. 40/U.S. 59 in Douglas County

A KDOT field survey is beginning today, Monday, Feb. 20, at the U.S. 24/U.S. 40/U.S. 59 junction in Douglas County.

This survey covers an approximately 500-foot area and is to gather information necessary for proposed intersection improvements. The survey is estimated to be completed by early April.

Michael Lay, P.S., Survey Project Manager, GBA, will manage this survey for KDOT.

A member of the survey crew first will contact property owners and/or tenants for permission to enter private property. Survey activities will include the use of survey instruments on the ground to determine locations of existing features within the survey corridor.

Map below shows survey location marked in green.
This information can be made available in alternative accessible formats upon request. For information about obtaining an alternative format, contact the KDOT Division of Communications, 700 SW Harrison St., 2nd Fl. West, Topeka, KS 66603-3745 or phone 785-296-3585 (Voice) / 7-1-1 (Hearing Impaired).
