FOR IMMEDIATE RELEASE

For Wednesday, December 8 in Topeka/Shawnee County

US-24 & Topeka Boulevard Interchange

Eastbound and westbound US-24 will have alternating lane closures over the Topeka Boulevard bridge for bridge cleaning work TODAY, on Wednesday, December 8, between 1:00 p.m. and 3:30 p.m. Adjacent ramps will be closed for short durations of 30-45 minutes during this time period.

Crews will begin with the westbound direction then move to the eastbound direction. The entrance ramp from Topeka Boulevard to westbound US-24 will close first for westbound work, then when crews move to the eastbound side, the Topeka Boulevard entrance ramp to eastbound US-24 will close.

No marked detours will be provided. Drivers should expect minor delays and must find alternate routes during the ramp closures.

Project work is scheduled to be completed on Wednesday, December 8, weather permitting.
