FOR IMMEDIATE RELEASE

For Tuesday, June 8 – Lawrence/Douglas County

US-59 & K-10 Interchange

Weather permitting, on Tuesday, June 8 between 8:30 a.m. and 3:30 p.m., US-59 at the K-10 interchange will experience delays for overlay work at the interchange and on part of the exit ramp.

Advance work zone signage and a flagger will direct traffic during the overlay work. Drivers will experience minor delays and are encouraged to use alternate routes if possible. Project work is scheduled to be completed on Tuesday, June 8, weather permitting.
