U.S. 75 bridge over Kansas River lane closed Aug. 8

The southbound U.S. 75 bridge over the Kansas River will have one lane closed from 9 a.m. to 3 p.m. on Tuesday, Aug. 8.

The lane closure is necessary for bridge maintenance work. The closure is just on the southbound U.S. 75 bridge itself. The highway will then open back to normal – the work will not affect traffic using the eastbound and westbound I-70 ramps.

Motorists are asked to use extra caution in the work zone area and use an alternate route if possible.
