Asphalt repairs on U.S. 24 in Topeka next week

The Kansas Department of Transportation is expected to start an asphalt repair project on U.S. 24, between the Topeka Boulevard and Kansas Avenue interchanges in Topeka on Monday, Sept. 23, weather permitting.

Work will occur between 9 a.m. and 3 p.m. in one lane in one direction at a time. Traffic cones will be placed to block access to the lane where work is taking place, allowing traffic to flow by with minimal disruption.

As a result, the westbound U.S. 24 to northbound Topeka Boulevard exit ramp will be closed on Sept. 23. The northbound Topeka Boulevard to eastbound U.S. 24 exit ramp will be closed on Sept. 24.

The project is expected to be completed on Wednesday, Sept. 25, weather permitting.

Please use caution in the area and find an alternate route if necessary.

Travelers need to be aware that if traffic levels are high traffic may flow a little slower than normal.
