Guardrail reconstruction on I-470 begins Sept. 4

A guardrail reconstruction project will begin on Wednesday, Sept. 4, on I-470 from the I-70 interchange to the 37th Street bridges in Topeka, weather permitting, according to the Kansas Department of Transportation.

The project will include earthwork, ditchlining and new guardrail installation. Work will occur during the weekdays, during the day for the next couple of weeks, then days and nights thereafter. The anticipated completion date is in December weather permitting.

Lane closures and ramp closures will be necessary. Expect travel delays of about 15 minutes.

Bettis Asphalt & Construction Inc. of Topeka is the contractor on the \$75,000 project.
