K-10 patching will detour traffic on Aug. 28

A westbound K-10 patching project will detour traffic at the K-10/U.S. 40 interchange from 9 a.m. to 2 p.m. on Aug. 28, weather permitting, according to the Kansas Department of Transportation.

KDOT will be closing the westbound K-10 lane, with traffic following the signed detour route up the U.S. 40/6th Street ramp and going directly across to the K-10 ramp. Eastbound K-10 traffic will not be affected by this work.

Minor traffic delays could occur, and motorists are encouraged to add a few minutes to their travel schedule. Please use extra caution in the work zone areas.
