KDOT to repair shoulders on U.S. 24 in Topeka

The Kansas Department of Transportation will be repairing the gravel shoulders on U.S. 24 from Rochester Rd. to Menoken Rd. in Topeka starting Thursday, July 25. New gravel will be added to re-establish the outside shoulders in both directions. The project will take place over three workdays: Thursday, July 25; Monday, July 26; and Tuesday, July 27.

Traffic will be reduced to one lane in this area between the hours of 9 a.m. and 3 p.m. during project workdays. Traffic control will consist of a moving lane closure. Expect slow moving traffic. Please use caution in this area or find an alternate route if possible.

KDOT urges all motorists to be alert and obey the warning signs when approaching and driving through a highway work zone.
