## **U.S. 24 repair work taking place**

Three projects are scheduled on U.S. 24 in Shawnee and Jefferson counties, according to the Kansas Department of Transportation.

Work began today on two miles of U.S. 24 from Countryside Road to Huxman Road in Shawnee County to repair asphalt. The U.S. 24 work will take place during the day with traffic controlled by a pilot car. Motorists should expect delays of up to 15 minutes and add extra time to their travel schedule.

Work on U.S. 24 from U.S. 59 to K-237 in Jefferson County to mill off raised areas of asphalt will take place from Tuesday, Aug. 6, to Thursday, Aug. 8. This work also will take place during the day with traffic controlled by a pilot car. Motorists should expect delays of up to 15 minutes and add extra time to their travel schedule.

Following that project, on Friday, Aug. 9, and Tuesday to Wednesday, Aug. 12 and 13, work will take place on U.S. 24 in Shawnee and Jefferson counties from Grantville Road to Menoken Road to mill off raised areas of asphalt. Traffic will be reduced to one lane in the work zone area as this stretch is a four-lane highway.

Please use extra caution in the work zone areas.
