## **I-70 westbound lane closed for light pole installation**

Kansas Department of Transportation crews will close the westbound driving lane on I-70 in Topeka on Monday, July 20, from 9 a.m. to 1 p.m., weather permitting. The lane closure is needed to install a new light pole previously damaged in a crash, according to the Kansas Department of Transportation.

The westbound driving lane east of Fairlawn Road will be closed around mile markers 358 to 357 as crews replace a light pole. Drivers will be directed by cones and have access to the westbound Fairlawn exit.

KDOT urges all motorists to be alert and obey the warning signs when approaching and driving through a highway work zone. To stay aware of all road construction projects across Kansas go to [www.kandrive.org](http://www.kandrive.org) or call 5-1-1. Drive safely and always wear your seat belt.
