The Kansas Department of Transportation will be patching potholes on the NE Seward Avenue exit and entrance ramps to and from the Oakland Expressway in Shawnee County on Wednesday, Sept. 2, from 9 a.m. to 3 p.m. weather permitting.

Motorists will be directed onto the shoulder as crews patch the potholes. Drivers should expect delays and add extra travel time to their commute.

KDOT urges all motorists to be alert and obey the warning signs when approaching and driving through a highway work zone. To stay aware of all road construction projects across Kansas go to www.kandrive.org or call 5-1-1. Drive safely and always wear your seat belt.
