## **Polk Quincy Viaduct virtual public meeting March 3**

The Kansas Department of Transportation (KDOT) will host an online public meeting for the I-70 Polk-Quincy Project on Wednesday, March 3, 5-6:30 p.m. To register and receive Zoom meeting information, visit [www.polkquincy.org](http://www.polkquincy.org).

The meeting will focus on current design plans and timeline for replacing the existing bridge. This will be followed by questions from meeting attendees, to be answered by the KDOT project team.

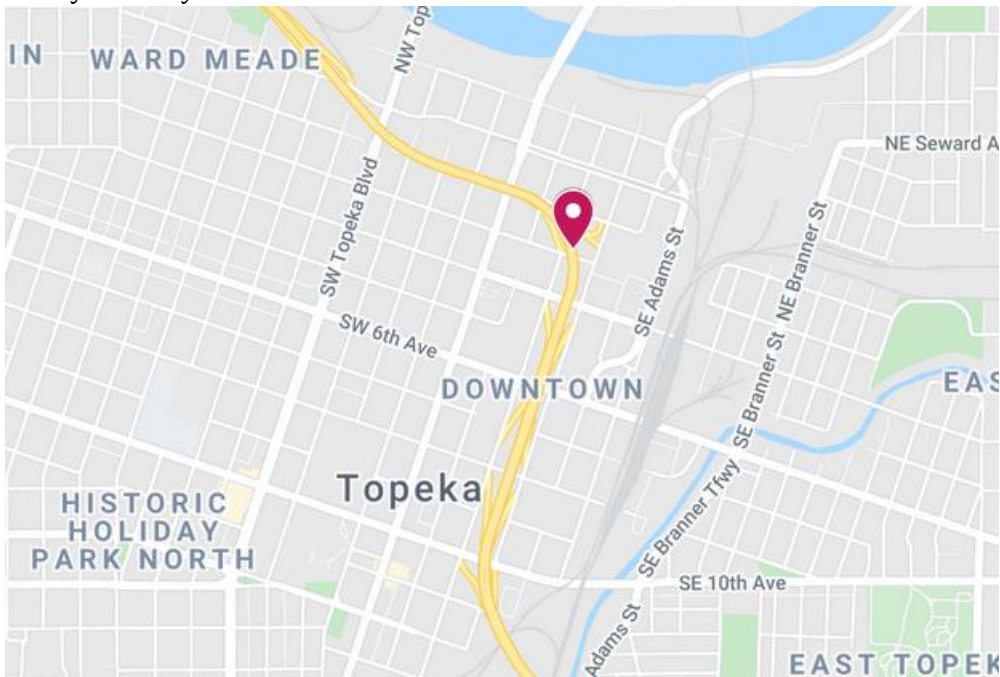

The I-70 Polk-Quincy Viaduct and the segment of I-70 serving downtown Topeka was designed and built in the late 1950s. This project is in the development pipeline of the Eisenhower Transportation (IKE) Program and is required to be selected in order to receive funding.

For more information, questions, or to request special accommodations for the virtual public meeting, please contact the Polk-Quincy project team by emailing [info@polkquincy.org](mailto:info@polkquincy.org) or calling (785) 228-3191.

###

For additional road condition details, check KDOT's updated traveler information website, [www.Kandrive.org](http://www.Kandrive.org). KDOT urges all motorists to be alert and obey the

warning signs when approaching and driving through a work zone. Drive safely and always wear your seat belt.

This information can be made available in alternative accessible formats upon request. For information about obtaining an alternative format, contact KDOT Division of Communications, 700 SW Harrison St., 2<sup>nd</sup> Fl West, Topeka, KS 66603-3754 or phone 785-296-3585 (Voice)/Hearing Impaired – 711.
