I-70 lane reductions in Topeka on June 29

Portions of I-70 will be closed from mile marker 360 to 362 in Topeka on Tuesday, June 29, from 9:00 a.m. to 3:00 p.m.

Kansas Department of Transportation (KDOT) maintenance crews will begin patching potholes in the right lane of westbound I-70 at 9 a.m. Crews will switch to the right lane of eastbound I-70 at approximately 12:00 p.m. All work is weather permitting.

Traffic control will include a crash attenuator, signs and traffic cones. There will not be a speed reduction through the work zone, and I-70 on and off ramps will remain open.

Drivers should be prepared for slow-moving traffic through the work zone.

KDOT urges all motorists to be alert and obey the warning signs when approaching and driving through a highway work zone. To stay aware of all road construction projects across Kansas, go to www.kandrive.org or call 5-1-1.
