K-4 resurfacing project underway in Shawnee County

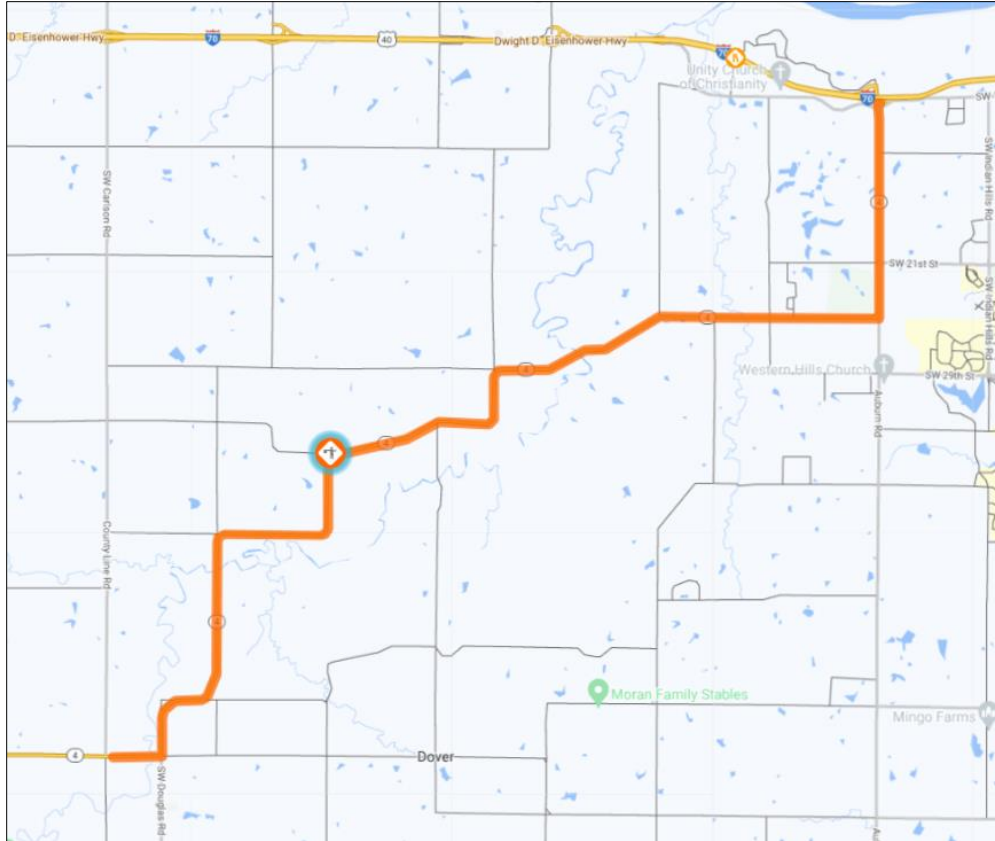

A resurfacing project is underway on K-4 in Shawnee County. The work covers approximately 12 miles, from the Shawnee/Wabaunsee county line to I-70.

According to the Kansas Department of Transportation, traffic will be restricted to one lane and directed by a pilot car and flaggers when work is taking place. Drivers should plan for delays of up to 15 minutes.

Work will occur Monday through Friday, and Saturdays as needed, during daylight hours. It is expected to be complete by late June, conditions permitting.

Bettis Asphalt & Construction Inc., of Topeka, is the contractor on the \$2.8 million project.

KDOT urges all motorists to be alert and obey the warning signs when approaching and driving through a highway work zone. To stay aware of highway construction projects across Kansas, go to www.kandrive.org or call 5-1-1.
