Amendment #6 to the FY
2010-2013 Kansas STIP

Ms. Deb Miller
Secretary of Transportation
Kansas Department of Transportation
Topeka, Kansas 66603

Dear Ms. Miller:

As requested by your April 6, 2010 letter, the Federal Highway Administration (FHWA) has reviewed the proposed Amendment to the FY 2010-2013 Kansas Statewide Transportation Improvement Program (STIP).

Based on our review, we find that this STIP Amendment is based on a statewide transportation planning process that substantially meets the requirements of 23 U.S.C. 134 and 135, 49 U.S.C. 5303 and 5304, and 23 CFR 450. We also find that the referenced revisions to the metropolitan Transportation Improvement Programs (TIPs) are consistent with the metropolitan transportation plans produced by the continuing and comprehensive transportation process carried out by the Metropolitan Planning Organizations, the Kansas Department of Transportation (KDOT), and the public transportation operators in accordance with 23 U.S.C. 134 and 49 U.S.C. 5303.

This STIP Amendment is hereby approved. A copy of this approval has been sent to the Region 7 office of the Federal Transit Administration for their information.

If you have any questions or need additional information, please contact Byron Low at (785) 271-2448, Extension 205.

Sincerely yours,

for J. Michael Bowen, P.E.
