Dear Ms. Miller:

As requested by your March 2, 2009 letter, our office has reviewed the FY 2009 STIP amendment to change the funding category of two projects from Advance Construction to American Recovery & Reinvestment Act (ARRA). We have determined that the amendment is based on a statewide transportation planning process that substantially meets the requirements of 23 U.S.C. 135, 49 U.S.C. 5304 and 23 CFR 450. Based on our review, the STIP amendment is approved.

If you have any questions or need additional information, please contact Steve Foust at (785) 271-2448, extension 221.

Sincerely yours,

for J. Michael Bowen, P.E.

**RE: FY 2009 STIP Amendment – ARRA Funding**

Dear Mr. Bowen:

The projects on the enclosed amendment list to the FY 2009 Statewide Transportation Improvement Program (STIP) were published in the Kansas Register for public comment in the Draft STIP and approved by FHWA on October 1, 2008. Since this amendment is only for a change in funding from Advanced Construction to American Recovery Reform Act funds, we request that they be added to the STIP.

If you have any questions, please contact Susie Lovelady at 785-296-0281.

Sincerely,

  
for Deb Miller  
Secretary of Transportation
