

- **KDOT Staff Update:** Most KDOT staff and our Transportation Planning staff are primarily working from home. Email is the best way to contact us, but we are routinely checking our work voicemail and will respond as quickly as possible.
- **October is Pedestrian Safety Month:** It's important for pedestrians, drivers and other road users to always remember that pedestrian safety is a two-way street. That is why the Kansas Department of Transportation is participating in Pedestrian Safety Month in October, a traffic safety campaign created by the U.S. DOT's National Highway Traffic Safety Administration (NHTSA). The National Kick-Off for Pedestrian Safety Month was September 29th. Check out KDOT's social media pages and Bicycle and Pedestrian webpage (<http://www.ksdot.org/burRail/bike/default.asp>) during October to learn more about:
 - Speed and traffic calming
 - Distractions and inattention
 - Watching for children/yielding to pedestrians
 - Visual/physical impairments, time of day precautions
- **KDOT Presentation:** On October 13th from 12:00-1:00pm, Maggie Doll, Deputy Secretary of Planning, Administration, and Communication for KDOT, will give a virtual presentation entitled *Let's Talk: Sunflower Pedals and Pedestrians*. The focus will be on the KDOT Eisenhower Legacy Transportation Program (IKE) and its commitments to flexible, right-sized highway projects, transit and bicycle and pedestrian programs. This presentation is sponsored by KDOT, Bike/Walk KC, Bike/Walk Wichita and Topeka Community Cycle Project. The presentation is free of charge and you can register at <https://www.eventbrite.com/e/lets-talk-sunflower-pedals-and-pedestrians-tickets-118514180103>
- **Kansas Strategic Highway Safety Plan 2020-2024:** The new plan has been finalized and can be accessed on the KDOT website at <http://www.ksdot.org/bureaus/burTrafficSaf/reports/kshs.asp> . Question can be directed to Steven Buckley at Steven.Buckley@ks.gov
- **Updated KanDrive website:** KDOT has made improvements to this website that shows the public road conditions and activities throughout the state. Updates are aimed at making the website more streamlined and easier to begin viewing details. You can access the improved website at <https://www.kandrive.org/@-100.22113,38.90001,7?show=roadReports,constructionReports,trafficSpeeds,winterDriving,weatherRadar>
- **Continuing Resolution (CR):** The President signed a CR that will extend the current FAST Act reauthorization funding and provisions from FY 2020 to all of FY 2021. Key for transportation is that the FAST Act extension includes an additional \$13.6 billion added to the Highway Trust Fund. The AASHTO Journal contains a recent article with further information at <https://aashtojournal.org/2020/10/02/cr-secures-federal-funding-extends-fast-act-for-one-year/> .
 - KDOT will continue to monitor progress on the next funding program and provide updates to our partners as soon as possible.

FUNDING PROGRAM OPPORTUNITIES:

- The Eisenhower Legacy Transportation Program (IKE)
 - IKE homepage with several links to additional program information:
<http://www.ksdot.org/IKE/ike.asp>
 - for questions contact: ike@ks.gov
- KDOT Public Transit Funding: 5310/5311 Service Providers, Fall 2020
 - Program Contact: Jon Moore, 785-296-4907, jon.moore@ks.gov
- KDOT Public Transit Funding: Access, Innovation, and Collaboration Program, Spring 2021
 - Program Contact: Jon Moore, 785-296-4907, jon.moore@ks.gov
- KDOT Cost Share Program, Fall 2020
