The image is a map of Dickinson County, Kansas, showing various roads, features, and classifications. The map includes details such as road numbers, city limits, park areas, and other geographical features. The functional classification map highlights different types of roads and features within the county, with a focus on the 5-10 year future and county and FHWA approval dates.

The map is created by the Kansas Department of Transportation in cooperation with the U.S. Department of Transportation Federal Highway Administration.
