## **U.S. 54 bridge over railroad in Augusta opens to full traffic**

The eastbound U.S. 54 bridge over the BNSF railroad in Augusta has opened to full traffic after a months-long repair project.

The work included deck patching and repairing of deck joints.

Work on the westbound bridge at that location was completed last year. The Kansas Department of Transportation oversaw the project. Wildcat Construction Co. was the primary contractor for the \$2.25 million project.
