Reno, Kingman, Barber, Stafford highway repair job is set

What:

Work is scheduled to begin soon, weather permitting, on pavement crack repairs on four highways in Stafford, Kingman, Barber and Reno counties.

The contract is being overseen by the Kansas Department of Transportation.

Where:

On K-14 in Reno County, from about a quarter mile south of Arlington Road north to Trail West Road.

On K-42 in Kingman County, from about half a mile west of Spivey east to K-14.

On U.S. 50 in Stafford County, from the Edwards County line east to the west city limits of Macksville.

On U.S. 281 in Barber County, from the U.S. 160 east junction north to Mile Marker 32.

When:

Depending on the weather, the work is scheduled to begin around Feb. 17.

Traffic control:

During the work, traffic will be controlled using a pilot car.

Contractor/amount:

Pavement Pros of McPherson is the primary contractor for the project. The contract amount is \$118,873.
