U.S. 400 resurfacing in Butler County to start

Work is expected to begin around Sept. 8 on resurfacing of a 4-mile section of U.S. 400 in Butler County.

The mill and overlay will be done on U.S. 400 from east of the U.S. 54/77/400 junction east to about a mile east of Leon.

During the work – to be completed around Sept. 28, depending on the weather – drivers should expect delays of up to 15 minutes and be prepared to stop for flaggers and a pilot car.

The Kansas Department of Transportation is overseeing the project.

APAC-Kansas Inc., of Hutchinson, is the primary contractor for the \$751,822 project.

The map below shows the approximate project section, marked in red.
