### **Crack seal project to begin on K-53 in Sumner County**

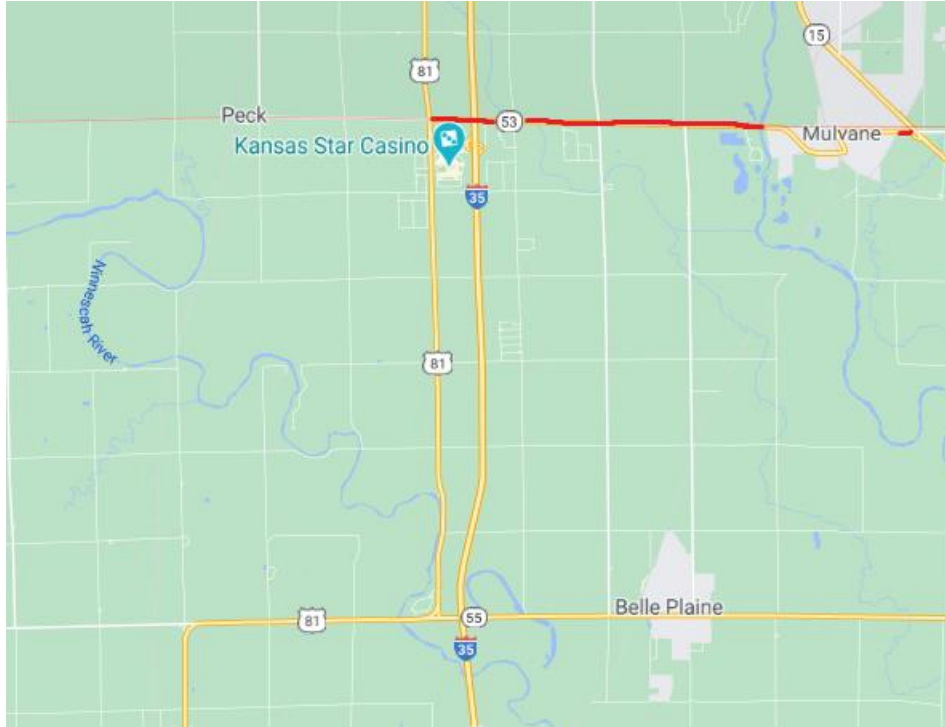

An asphalt crack seal project is tentatively expected to start around March 8 on K-53 in Sumner County.

The work will be on K-53 from the U.S. 81 junction east to the west city limits of Mulvane. The work also will be on K-53 from the K-15 junction to the east city limits of Mulvane. The length of the project is almost 5 miles.

During the project – ending around March 22 – traffic will be controlled by flaggers and a pilot car. Motorists should be prepared to slow down and stop for the work zone.

Mission Construction Co. Inc., of St. Paul, Kansas, is the prime contractor for the \$86,823 project, overseen by the Kansas Department of Transportation.

**The approximate project location is marked in red on the map below.**
