K-179 grading, surfacing in Anthony to begin soon

Grading and surfacing on K-179 in Anthony is expected to start around June 28.

The Kansas Department of Transportation project will be on K-179 from Hayes Street to Evans Street, on the south side of the city. The length is about a quarter of a mile.

During the construction – expected to be completed around Sept. 24 -- traffic will be controlled through the work zone with a traffic signal. There will be a 12-foot width restriction.

Wildcat Construction Co. Inc., of Wichita, is the primary contractor for the \$581,507 project.

The map below shows the approximate project location, marked in red.
