Shumway Road to be resurfaced at K-254 soon

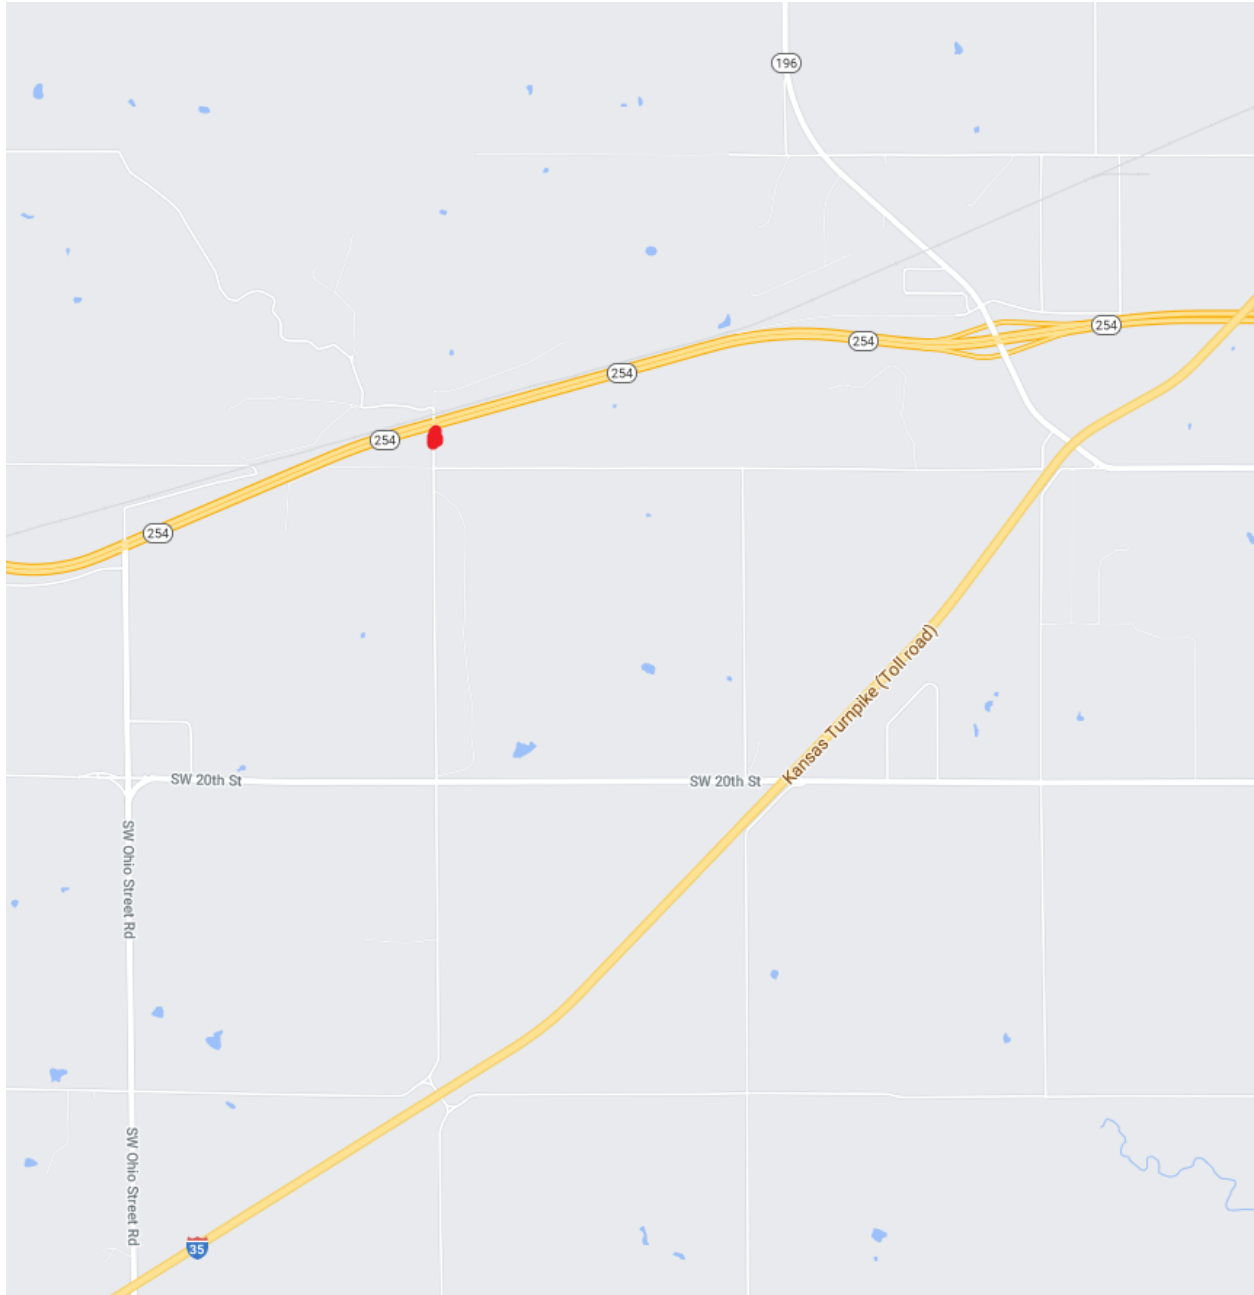

Starting around July 6, workers will resurface Shumway Road where it approaches the south side of K-254 in Butler County.

The Kansas Department of Transportation project is expected to be completed around July 20.

During the work, motorists going north on Shumway will not be able to enter K-254. Also, motorists on K-254 will not be able to exit south onto Shumway. Eastbound K-254 traffic will be restricted to one lane at the work zone, and the speed limit will be reduced to 60 mph.

APAC Kansas Inc., of Hutchinson, is the primary contractor for the \$68,760 project.

The map below shows the approximate project location, marked in red.
