

**Flooded Road Closures for NORTHEAST KANSAS**  
**As of Wednesday, June 22, 2011, 6:30 p.m.**  
**CORRECTION!**

---

**K-7 in Doniphan County is STILL CLOSED and is now closed further south from approximately 5 miles south of the south city limits of White Cloud** to the Nebraska/Kansas state line due to high waters from the Missouri River on the roadway. The roadway is expected to be closed for several more **weeks** due to continued melting snow **and rain run-off** from the northern states that are contributing to high river levels.

Drivers must use alternate routes. No marked detours provided. Drivers: Do not attempt to drive through flooded or high water on roadways. **TURN AROUND. DON'T DROWN!**

We will let you know when the roadway reopens to all traffic.

---

**For Kansas Road Information related to flooding: KanDrive** is the online travel info portal, [www.KanDrive.org](http://www.KanDrive.org), that displays information from KDOT's traveler information technology, including highway cameras, dynamic message signs, traffic management centers and 511 phone, online and mobile (<http://511mm.ksdot.org>).
