**Thursday Night:** Partly cloudy, with a low around 9. Wind chill values between -1 and 4. West southwest wind between 6 and 8 mph.

**Winter Weather Advisory was expired at 6 am today. There are no advisories in place at this time.**

---

**Current Road Conditions**

Precipitation has moved out of Northeast Kansas, except for an occasional flurry or two. However, the winter weather storm has brought the area plenty of strong winds resulting in lots of blowing/drifted snow and freezing temperatures. KDOT crews continue to treat (with sand/salt mixture) and plow roadways throughout all of Northeast Kansas.

Roadways are again primarily snowpacked throughout the majority of northeast Kansas. Drivers need to use caution as they travel about on Wednesday, as roadways may be slick / icy due to the overnight freezing and blowing conditions.

**Kansas City Metro Area Update:** Johnson County - Highways are wet/slush to spots snowpacked – all lanes are visible; Leavenworth/Wyandotte Counties – Highways are mostly snowpacked – driving lane may be visible in most cases.

**Topeka/Lawrence Metro Area Update:** Highways are mostly snowpacked; driving lane may be visible in most cases.

## Driver Safety Tips

*For travel throughout today, drivers should use caution, allow plenty of driving time, buckle up (every passenger, every time) and be sure to turn on their headlights, and turn off their cruise control. Drivers should also provide for a safe distance or cushion between themselves and vehicles ahead of them.*

*We also want to remind drivers to stay a safe distance back from KDOT snow plows, and if drivers should pass the snow plows, to be extra careful and allow plenty of room as the trucks do travel slower than surrounding traffic.*

| COUNTY/METRO AREA                                      | CURRENT OVERALL ROAD CONDITIONS   | New Update Yes/No |
|--|---|-------------------|
| KC Metro Area (Johnson/Leavenworth/Wyandotte Counties) | Wet/Slush to Spots Snowpacked (JO Co) to Mostly Snowpacked/Ice (LV/WY Co) | No                |
| Topeka Metro Area (Shawnee County)                     | Wet/Slush to Mostly Snowpacked/Ice  | Yes               |
| Atchison County  | Completely Snowpacked/Ice   | No                |
| Brown County   | Completely Snowpacked/Ice   | No                |
| Doniphan County  | Completely Snowpacked/Ice   | No                |
| Douglas County   | Mostly Snowpacked/Ice   | No                |
| Jackson County   | Mostly Snowpacked/Ice   | No                |
| Jefferson County                                       | Drifting  | No                |
| Lyon County  | Spots Snowpacked/Ice & Drifting   | No                |
| Marshall County  | Completely Snowpacked/Ice   | No                |
| Nemaha County  | Completely Snowpacked/Ice   | No                |
| Osage County   | Spots to Completely Snowpacked/Ice  | No                |
| Pottawatomie County                                    | Completely Snowpacked/Ice   | No                |
| Riley County   | Completely Snowpacked/Ice   | No                |
| Wabaunsee County                                       | Mostly to Completely Snowpacked/Ice                                       | No                |

## Current Road Closures

No road closures to report at this time.

## Updated Road Conditions (via phone or online 24/7)

Updated Kansas road conditions are at your fingertips. Simply by calling 511 from any phone (landline or cellular), or by clicking on the following link: <http://511.ksdot.org>, drivers can obtain updated all of Kansas road conditions at **anytime, day or night.**

Additional weather-related information can be found online at <http://www.ksdot.org/offTransInfo/511Info/511traffictavel.asp>. This KDOT web site link includes informational brochures on 511 Winter Storm Survival, Managing Snow and Ice on Kansas Highways, and Safe Winter Driving Tips. Drivers...“If the weather is bad, remember with ICE AND SNOW, Take it Slow, or just don’t go.”

## **Media Outlets**
