# TRAFFIC ALERT

## FOR IMMEDIATE RELEASE

News Contact: Kimberly Qualls, (785) 640-9340 or [kqualls@ksdot.org](mailto:kqualls@ksdot.org)

**For Monday/Thursday, May 7-10 in Tonganoxie (Leavenworth County)**

### **US-24/40**

Beginning early morning on **Monday/Thursday, May 7-10**, the two southbound lanes and northbound left turn lane will be closed from the K-16/4th Street intersection to approximately 300 feet north for repair work on a sanitary sewer line in Tonganoxie (Leavenworth County). Crews will complete repair work during the daylight hours only, thus all traffic control will only be in place during the project working hours as well.

**EXPECT DELAYS!** Southbound and northbound US-24/40 traffic will be reduced to one lane each direction and placed head-to-head on the northbound lanes between 3rd and 5th Streets. The traffic signals at the K-16/4th Street and US-24/40 intersection will flash red all four directions during the daytime working hours and then returned to normal operations during the overnight hours throughout the project duration. All turn movements will remain open to traffic during the project duration.

The Kansas Department of Transportation urges all motorists to be alert, obey the warning signs, and "Give 'Em a Brake!" when approaching and driving through the project work zone.

Project work is scheduled to be completed and the lanes reopened to all traffic on **Thursday, May 10**, weather permitting.
