K-10 & Ridgeview Road Interchange

EXPECT DELAYS! WEEKDAY OVERNIGHT LANE & ROADWAY CLOSURES: The following overnight lane and roadway closures will take place at the K-10 and Ridgeview Road interchange for demolition work on the Ridgeview Road bridge over K-10, as part of the new diverging diamond interchange work in Johnson County.

Eastbound and westbound K-10 traffic will be reduced to one lane each direction and will detour via the exit ramps, straight through the intersection, and back up the entrance ramps at Ridgeview Road. There will be no access for K-10 traffic to Ridgeview Road or Ridgeview Road traffic to K-10. K-10 traffic wishing to access Ridgeview Road will need to utilize the Woodland Road or Renner Boulevard exits during the overnight closures.

Ridgeview Road will be closed just closed north of the 105th Street intersection. Ridgeview Road traffic wishing to access K-10 must use the Woodland Road or Renner Boulevard interchanges during the overnight roadway closure. Access will be provided to the local businesses south of K-10 via the 105th Street intersection.

See project maps below for lane and roadway closure locations.

Monday, July 21 – REOPENS at 5:00 a.m. Tuesday, July 22 – NEW!

8:00 p.m. Eastbound and westbound K-10 left lanes under Ridgeview Road CLOSED
