I-435 lane reduction, ramp closures on May 20

Westbound I-435 from Metcalf Avenue to U.S. 69 will be reduced to two lanes from 5 a.m. to 5 p.m. on Saturday, May 20, according to the Kansas Department of Transportation. Two ramps will also be closed during the same timeframe.

Ramp closures - The first is the entrance ramp from Metcalf Avenue to westbound I-435. Metcalf traffic should use 103rd Street or College Boulevard to Antioch Road to access westbound I-435. The second is the exit ramp from westbound I-435 to U.S. 69. Traffic should continue on westbound I-435 to Quivira Road and take 103rd Street or College Boulevard to U.S. 69.

The lane reduction and ramps closures are necessary to reconstruct barrier wall and replace the damaged impact attenuator at the westbound I-435 to U.S. 69 exit.

Updated daily traffic information for this project and for the entire Kansas City Metro Area can be viewed at: www.ksdot.org/kcmetro/laneclose.asp.
