## Update: Section of southbound Turner Diagonal closure postponed to April 21

A portion of the southbound Turner Diagonal from 65<sup>th</sup> Street to K-32 in Wyandotte County will be closed to traffic on Wednesday, April 21, weather permitting, to allow for work to remove an overhead sign truss over the roadway. If weather affects the sign removal, the work schedule will be postponed one day to Thursday, April 22.

According to the Kansas Department of Transportation, work will take place from 9 a.m. to 3 p.m. Traffic can travel south on 65<sup>th</sup> Street and east on K-32 back to the Turner Diagonal. Motorists should use an alternate route or allow extra time in their travel schedule and expect delays.

KDOT urges all motorists to be alert and obey the warning signs when approaching and driving through a highway work zone. To stay aware of all road construction projects across Kansas go to [www.kandrive.org](http://www.kandrive.org) or call 5-1-1. Drive safely and always wear your seat belt.

**Please note:** The yellow pin in the map below shows the location of the overhead sign truss. The pink line shows the detour route.
