K-92 Centennial Bridge to be closed for inspection on Sept. 21

The K-92 Centennial Bridge over the Missouri River in Leavenworth County will be closed for a bridge inspection on Tuesday, Sept. 21, weather permitting.

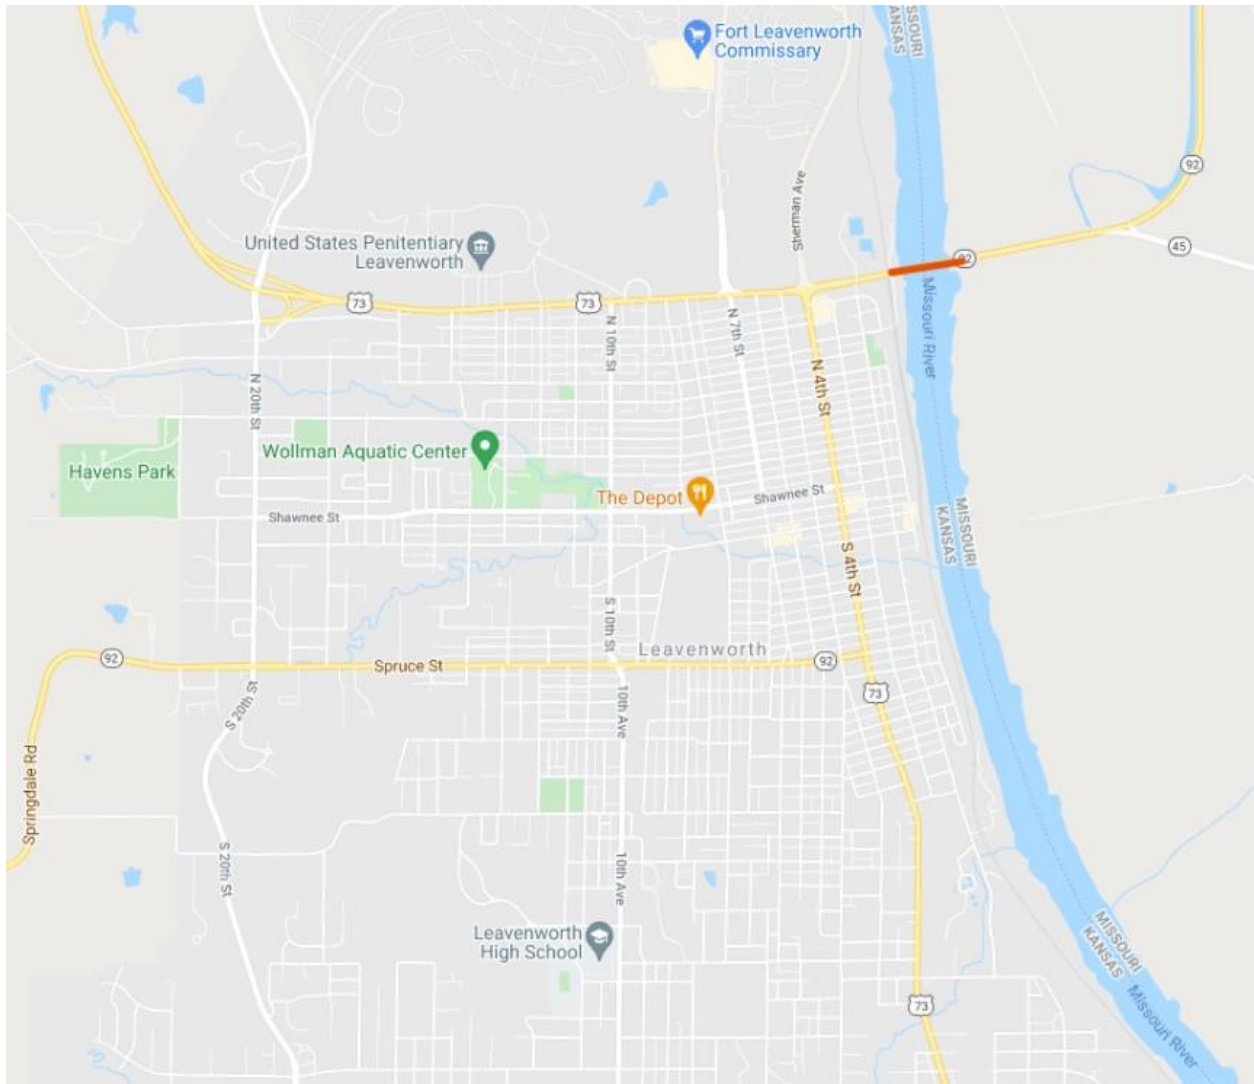

Work will take place from 9 a.m. to 3 p.m. and will require a full roadway closure for both eastbound and westbound traffic, according to the Kansas Department of Transportation (KDOT).

K-92 traffic will not be able to access the bridge while the inspection is taking place and motorists are advised to find alternate routes.

Traffic will be controlled using concrete safety barriers, digital message boards, temporary pavement markings and traffic cones.

KDOT urges all motorists to be alert and obey the warning signs when approaching and driving through a highway work zone. To stay aware of all road construction projects across Kansas go to www.kandrive.org or call 5-1-1. Drive safely and always wear your seat belt.

Map below shows closure location in orange.
