

PASSENGER RAIL LIVE VIRTUAL PUBLIC MEETING YOU ARE INVITED!

Please join the **Kansas Department of Transportation (KDOT)** to discuss new Amtrak Heartland Flyer passenger rail opportunities in central Kansas. KDOT is currently exploring plans to provide rail service from Oklahoma City, Oklahoma to Newton, Kansas, where it would then connect with the Southwest Chief, a national route on Amtrak's passenger rail. The Heartland Flyer currently provides daily service between Fort Worth, Texas, and Oklahoma City.

There are two ways to participate and provide input:

LIVE VIRTUAL MEETING

Wednesday, Nov. 8
Noon to 1 p.m.

[Click here to join](#)

There will be a brief presentation and the public will have the opportunity to submit questions and comments for a response from the project team.

VIRTUAL OPEN HOUSE

Following the live meeting, a virtual open house will be available until Nov. 30 and feature a recording of the presentation and an online comment form. Participants can access online at their convenience. [Click here](#) to access the virtual open house.

If you have questions, need special assistance, or would like to request a hard copy version, please contact Kelsey Heavin at 816-527-2468 or kheavin@hntb.com

Both opportunities will provide the same content including project background, considerations, public engagement opportunities and schedule.

STAY CONNECTED

For more information or to sign up for project email updates, please visit www.ksdot.gov/passrail/ or scan the QR code to access the project webpage.
